

THE GENTLEMAN'S MOMMA'S HOLIDAY HOT CHOCOLATE

Here's what you need:

- 1-8 quart box powdered milk
- 1-1 pound box of Nestle Quick (it's now branded as Nesquik and has a big rabbit on the front)
- 1-1 pound box powdered sugar
- 6 ounces powdered creamer

Combine all the ingredients in a big mixing bowl.

In a kettle or the microwave heat water or milk. Add 1 cup of liquid to 1/4-1/2 cup dry ingredients. Add marshmallows. Add a peppermint. Add Baileys and look at the tree.
